OBJECTIVE

Applying for internships

SKILLS

Proficient in Python, C++, HTML, CSS & JavaScript. I have created multiple websites and programs using these programming languages.

EXPERIENCE

CREW MEMBER / MCDONALD'S

01/2022 – 11/2022

Gaining experience in a fast pace environment, having the ability to multitask, taking orders and getting the food for the customers at a fast pace.

STORE ASSOCIATE / HOLLISTER

11/2022 – 01/2023

Our responsibilities as a store associate were to restock on clothes and items that were close to running out. Always had to be on letting the store know if we were close to running out of any items in stock.

BUSSER/HOUSEMEN / THE PACIFIC CLUB

11/2022 – 09/2023

My responsibilities were to help clean up tables and clear our tables for the servers. For banquets and big events, I would trade-pass appetizers and certain drinks depending on the choice of our members. As well to clear our rooms and rearrange certain rooms back for another event. Having memorized each and every room's style as well as the set-up of furniture and the silverware.

FOOD SERVICE ASSISTANT / COSTCO

01/2024 – Today

My responsibilities are to prepare foods and drinks. Pulling and stocking supplies and ingredients. Cleaning our kitchen and the eating area. Providing a prompt and courteous member service. Follow guidelines to ensure correct serving temperatures and adequate portion control. Escalate customer concerns and complains to management

EDUCATION

HIGH SCHOOL DIPLOMA / 2023

Godinez Fundamental High School

Weighted GPA: 4.1, achieved the Legacy Award for taking on Two AP science courses and passing both classes.

VOLUNTEER EXPERIENCE OR LEADERSHIP

My grandma runs a daycare business, sometimes she needs someone who can do her taxes or handle her profits and revenue. I am her temporary accountant in some occasions.
